

# Wedding Music Guide

# 2010

As you journey toward your wedding day, please review the included Wedding Music Guide. The selection of the music for your wedding is special and unique to each couple. The following quotation from the Music of Catholic Worship, will be helpful in understanding the liturgical expectations of the Catholic Church. Please review these selections and bring this document, along with any questions, to your scheduled Wedding Workshop. Dates for future Wedding Workshops may be found by selecting the Wedding/Quinceanera tab on the Music Ministry Web Site. Thank you and God Bless you as you complete the preparations for your Sacrament of Marriage. Our "Music in Catholic Worship" document states "...music should reflect the truth that all the sacraments celebrate the Paschal Mystery of Christ. Secular music, even though it may emphasize the love of the spouses for one another, is not appropriate for the Sacred Liturgy. Songs that are chosen for the Liturgy should be appropriate for the celebration and express the faith of the Church."
